Membership Report

MPLA

January 20, 2010

We continue to welcome lots of new members, gathered mainly from the state conferences. I am just now starting to find out who the person is from OLA that I need to partner with for the newcomers' breakfast. My plan is to email, again, all the newcomers to invite them to join us for the conference, and especially, the breakfast. Does anyone know how the breakfast is paid for?
