Membership Committee 4-13-10 Report

The committee is about ready for take-over!! *Take-over* by a new membership chair.

Highlights from this year are included:

1. Asked the committee for their input concerning the value of MPLA, which was utilized in the welcome letters.
2. Sent out welcome e-mails to all newcomers.
3. I didn't make myself familiar with the goals soon enough to utilize their guidance.
4. Made "rubber duckie" stickers to put on the newcomers' name badges for MPLA conference and the committee will hand these out at the conference.
5. Membership committee members will work the MPLA booth during the conference.

Thanks to everyone for making this a pleasant year.
