

CO-6 Membership Committee

December 2023

- Membership committee has been working on a packet to help state reps do pushes for membership in their states.
 - State reps will be invited to Membership Committee's January meeting to see what we've created.
 - We'll be emailing this to State reps directly as well as adding it to a Google drive.
- Chew & Chats continue to be a source of connection in the MPLA community.
- Membership Committee is considering following suit and reconsidering policies and procedures manuals to update and fill in gaps in the new year.
