

MPLA Professional Development Committee

Committee Activities

- Worked with the 9 presenters to get materials and tech needs sorted for the Lightning talks
- Set up schedule for presentations with facilitators from the committee heading each hour
- Got information about all of the above to Roy for the website
- Set up test run prior to the event for any presenter to attend and for the facilitators to work out logistical details.

Committee Meeting

- Met April 2, 2021
- Discussed 2 conference grant requests that came in to the committee, tentatively approved both, contingent on the evaluation report from the conference session organizers.

Respectfully submitted,

Robin Hastings
Professional Development Committee Chair
