

MPLA Executive Board Meeting #2
Epperson Room, Cheyenne, WY
September 24th, 2015 8:45pm

The meeting was called to order by incoming President Eric Stroshane

In this informal setting, Eric welcomed everyone and said that he was excited for the year to come. He highlighted a few initiatives for the upcoming year and then opened the floor for each member of the executive board, in attendance, to introduce themselves.

Some notes indicated throughout the discussion:

Dan Chaney noted new board members information will go live on the website within a few weeks. Roy Delger also noted that in terms of email accounts – past members will still continue to receive correspondences as well for the first few months. To verify that information is correct. Tina Walker asked about handouts and placing them on the website. Dan responded that it was a cumbersome process and at the time, there were no plans to provide them on the website for this year's conference. Incoming Vice President/President Elect Mickey Coalwell indicated his passion and spoke to the initiative of diversity and its importance within the association.

After introductions, the meeting was called to a close and the Round table commenced.
