MPLA Past-President's Report
July 2007 Board Meeting

The Administration Committee will be meeting Friday evening prior to the Board Meeting. I should be bringing the following items to the Board for approval:

- Financial Review of MPLA
- By-Laws/Policy Changes

Attached to my report is the updated 2007 MPLA Budget.

I am awaiting the cost figures for the Ireland trip. We have made the itinerary changes and set the dates: July 6-18, 2008. The dollar has devalued from \$1.19 to \$1.40 so it will cost a bit more than our trip in 2006. I will have a draft copy of the brochure (minus cost) to hand out at the board meeting.
