MPLA Past President Board Report

Sharon Osenga

April 29, 2008

Budget: The budget has been updated to reflect no Leadership Institute this year.

Portal Administrator: The job description and evaluation forms have been created and the contract has been signed for this position.

The Administration Committee approved by-laws changes that will be brought to the membership at the annual meeting.

Leadership Institute Task Force: We have met by phone once and have made good progress. Site recommendations are due by May 1st. We will most likely narrow sites down to 2-3 and then one person will undertake site visits. We plan to have the recommendations done by the Summer 2008 board meeting.
