Past President's Report  
Elvita Landau

There are no current budget issues. Since we are in the fall joint conference cycle, profits from this conference may not be received before December 31.

The Administration Committee will meet the morning of October 17 to discuss strategic planning, granting Professional Forum speakers free memberships, formalizing Roy Degler's compensation, fixing the MPLA logo, and discussing the possibility of creating sections/interest groups. Recommendations will be brought to the Executive Board for approval if needed.

I've enjoyed serving MPLA in the presidential rotation. Thank you for all your support. MPLA is a great organization.
