

O-3 Past President's Report  
MPLA Board Meeting  
June 17, 2014

I met with the Wendy Wendt (President), Annie Epperson (President Elect), and Judy Zelenski (Executive Secretary) to discuss the resignation of the newsletter editor. It was determined that Judy would serve as interim newsletter editor and create the newsletter using a new web-based format. Action on the hiring a replacement editor is on hold until we talk about the issue at the Board meeting in Las Vegas. There are currently no budget issues to report. I am looking forward to seeing and discussing a number of issues facing MPLA at the meeting in Las Vegas to be held next week! I am also anticipating a GREAT joint MPLA/AzLA conference to be held in Scottsdale/Fountain Hills, Arizona in November.
