

O-3 Past President's Report September 13, 2023

- Reviewed all reports for meeting
- Reviewed financial info from Judy
- Attended Chew n Chats
- Participated in Library Institute Committee meetings
- Held PPAC meeting September 8
- Shared some template wording with Judy for marketing the new institutional membership dues
- Attended Roy's trainings on using Google workspace

Many hours of work spent on MOP updates. Very excited about getting this done and many thanks to all in tackling a very important project! Met twice with state reps to work through their sections. Met with Luise to work through recording secretary section. Once the bulk of recommendations for the state rep section is approved and uploaded, state reps and I want to meet again to review appendices and see if they can be incorporated into the main state rep section. Elena has an idea for an organizational structure.

Also as a result of meeting with state reps, we discussed a PPAC member (or even two) meeting with as many of the group as possible quarterly(?). During our MOP review meetings, there were great ideas shared on different things state reps do to give out free memberships, market MPLA, etc and these would be great things to share in a meeting facilitated by a PPAC member or two.

Respectfully submitted by Brenda Hemmelman
