- As member of Leadership Institute Committee, updated MOP section and attended LI meetings
- Facilitated a great joint meeting of PPAC group with State Reps
  - Had good discussions on distribution of free MPLA memberships
  - Discussed ways state reps could market MPLA more at their state conferences, including getting some "mic time" to announce some free memberships and hosting a meeting or event for MPLA members from that state and encourage them to bring a non MPLA member along
  - The meeting was recorded and the link placed on the PPAC page of the website. Thank you, Ryne!
- Signed up for MPLA table duty at the conference
