

O-2 Vice President's Report

October 11, 2022

- Gained access to VP email account (vicepresident@mpla.us) and monitored correspondence.
- Reviewed financial reports; completed bank form for access to MPLA account.
- MPLA/Oklahoma Library Association 2023 Conference Planning:
 - Met with Oklahoma Library Association conference planners and attended September 21 Conference Committee meeting. October meeting is mostly in-person, but I will join remotely.
 - OLA's planning process is very well organized, and they have considered MPLA at every step. Thanks to Brenda Hemmelman, Judy Kulp and Oklahoma colleagues in MPLA for building such a strong foundation.
 - Encouraged MPLA members to submit program proposals ahead of September 30 deadline, and submitted a proposal.
- Attended a meeting about bringing back the PACK, or Past-Presidents Advisory Council. Jean Hatfield has agreed to take an active role, and Judy submitted a program proposal related to the PACK and the past presidents more generally.

Respectfully submitted,
Amadee Ricketts
