MPLA Board Report

July 23, 2005

Pam Henley, Public Library/Trustees Section Chair

I have not heard if any programs submitted for the October conference by section members were accepted, although I have heard from individuals who submitted proposals that were not.

Chair-elect Anna Moore succeeded in finding a candidate to run in the upcoming election.

I am continuing my search for a Board Choice Award nominee.

I have sent an announcement to the newsletter inviting all section members to attend the section meeting during the conference (Friday, 3:45 unless the schedule changes).

Although our library's travel budget was drastically reduced for this fiscal year, I was able to save my travel request for this board meeting so I'm looking forward to seeing everyone in Denver!

Respectfully submitted,

Pam Henley

Public Library/Trustees Section Chair
