Interim Newsletter Editor's Report
July 2005

The August issue of the MPLA Newsletter is well in process and will reach the printer by August 1, 2005. It will be a large issue containing WLA-MPLA Conference information and registration materials in addition to advertising and your submissions. Format will be similar to previous issues.

If you have any additional time-dependent information for the Newsletter please contact me right away. Both of my e-mail addresses below are now operational.

Many thanks to all who have sent articles and special thanks to the Conference Committee for their extensive work in preparing that information!
