Newsletter Editor Report
March 10, 2007

The April issue of the newsletter is going to the printer and will be online by March 13. Thank you to everyone who submitted information, and apologies to those whose items weren't included because of space. Features on new officers, award winners, and EBSCO's Leadership Institute sponsorship along with the regular information filled all the pages.

Scarecrow Press is a new advertiser in this issue.

The June issue will have conference follow-up. Please take lots of photos! I especially look for out-of-the-ordinary photos – interesting settings, action beyond the podiums, big smiles!

A note about submissions: When sending items, please send the photos as separate files rather than including them in the body of the text.

Thanks!
