Newsletter Editor Report

July 19, 2011

The August issue of the MPLA Newsletter is online, with information on the blog, a feature on board members, a new column by a member who for the time is anonymous (perhaps in order to be cranky or controversial), and late-breaking news about the impact of flooding on the Minot Public Library.

Next deadline for the October issue is September 1.

Thank you for all your submissions and photos!

Judy
