December 5, 2013

The December/January newsletter was Tri-Conference heavy; I'd like the February issue to focus on holiday celebrations and activities at your libraries. Please send your stories and images to me as soon as possible. I intend to continue the *Weather @ Your Library* column so if you have weather related stories involving individual MPLA members and/or libraries send those to me as well. I'm also considering including a column in which I highlight a different state each issue. I welcome any comments, concerns or suggestions about the newsletter.

As always, I'd like to say thank you to Dan Chaney for all his help and encouragement.

The next deadline for copy is January 1st.

Thank you for all your submissions!

Cheers,
Abby
