AzLA Activities

AzLA News

- Rather than offering a traditional conference this year, AzLA presented a series of webinars on the theme Vision 2020. The closing keynote session on December 9 will feature Jamie LaRue.
- A call for candidates for AzLA offices went out in September. Some offices were filled but others were left vacant. As a result, current AzLA President John Walsh has agreed to remain in office until 2022. Past President Michelle Simon will remain in her role for the same period.

Respectfully submitted,
