

MPLA Activities

- Submitted items of interest for the MPLA newsletter.
- Emailed MPLA members in Arizona to recruit candidates for the upcoming AzLA elections.

AzLA Activities

- Attended monthly AzLA Board Meeting
- I filled in again as Chair of the Nominating Committee because AzLA does not currently have a Past-President. I created a recruitment email and online nomination form, conducted a committee meeting to establish the timeline and recruitment strategies, and reported to the AzLA Board.
- Participated in the Program Committee meetings to evaluate proposals for the upcoming AzLA Conference.

Respectfully submitted,

Amber Kent
