- Sent a message to MT listserv about MPLA conference in South Dakota
- Sent MT news item to the editor for the upcoming MPLA newsletter
- Published articles about Leadership Institute and conference in Focus, the MT Library Association newsletter

Montana news

The Montana State Library's new Library District Task Force will meet for the first time in Helena on Monday, September 23, 2013. The Library District Task Force seeks to evaluate potential improvements to the Montana code governing the creation and administration of public library districts. Recommendations from the task force may produce information legislation that would be presented to the 2015 Legislature.

Respectfully submitted,
Norma Glock, Montana Library Representative
