NLA Supports MPLA Leadership Institute Attendees with Stipend

Nebraska Library Association members who are selected to attend the MPLA Leadership Institute will, for the first time, be eligible to receive a stipend from NLA to help support them in paying the registration fee. At their meeting on January 6, 2005, NLA Board members voted to include the amount in the 2005 Budget. NLA Finance Committee members agreed that the stipends should cover registration costs at the MPLA member rate. Non-MPLA members would need to pay the difference between member and non-member registrations costs.
