NEVADA STATE REPORT

JULY, 2006

Martha Greene, state representative

Nevada Library Association is working with Member Clicks to manage our membership functions more efficiency.

Three members of the NLA Board attended the ALA-ALTA Legislative Day in Washington, D.C.

The association has hired a full time lobbyist. Although the Nevada legislature meets every other year more and more work is done in the interim and having a full time lobbyist will help keep legislators aware of the interests of Nevada libraries.

The NLA conference is August 16 – 17 in North Las Vegas and Sharon Osenga is on the program to talk about MPLA's leadership institute and to help at the MPLA booth. The theme is Tools for the Future.

I would love to be at my last board meeting as Nevada state representative but July 14 is my first meeting as president of the Rotary Club of Reno Sunrise.
