SDLA News

The Support Staff Section is planning to host a Branch Out one day conference for support staff in four different cities in SD in August 2019.

Legislative Day is planned for February 12th, 2019. The SDLA board will have our next meeting on this day too.

The Board discussed SDLA supporting the COSLA initiative with a resolution. SDLA President Maria will further discuss this with SDLA lobbyist, Eric E. Erickson, and the board will discuss again at February meeting.

Respectfully submitted,

Nita Gill
