December 2023 Board Report

MPLA Activities:

- Attended Nov. 8 MPLA state rep meeting
- Attended Nov. 3 MPLA/ULA conference planning meeting

ULA Activities:

- Attended ULA Board Meeting Dec. 1, 2023
- December's board meeting had a long discussion on raising membership rates to better align with neighboring and MPLA state rates. Two options, a conservative and an aggressive, were shown, with most attendees favoring the conservative. This pricing change won't take effect until after the 2024 joint MLPA/ULA conference.
- ULA Conference committee met to approve ULA programs for the upcoming joint conference.
- ULA also parted ways with our state lobbyist due to her not well representing ULA's goals or mission during an important vote.

Respectfully submitted by Brandon Bowen
