#### WLA News

- WLA conference was held September 28-30 in Casper, WY. The conference theme was Stronger Together. I had great turnout at our table in the vendor hall and had a lot of people enter to win the free memberships. I drew 10 names and sent them to Judy. People were generally interested in learning what MPLA had to offer. I encouraged those interested to sign up for a membership at half price if they didn't win the drawing.

Respectfully submitted,
